Uni-President

Established in 1967, Uni-President is oriented in Taiwan and has developed into an international FMCG conglomerate with more than 200 subsidiaries and a portfolio of over 140 premium consumer brands prospering in consumers' daily lives in nearly 60 years. Additionally, Uni-President ranks among Taiwan's top 20 companies by market capitalization. Apart from engaging in the manufacturing business, Uni-President, a reputable retailer in Asia, has been operating a number of well-known retail brands including 7-Eleven, Starbucks, Carrefour, COSMED, Books.com, and Uni-President Department Store to provide customers with high-quality products and excellent consumer experiences.

In the next 50 years, Uni-President aims to expand and integrate businesses by implementing key strategies such as continuing alliances & acquisitions to construct an *Asian distribution platform of life brands*.

Business Integration Division

Business Integration Division serves as a pioneer to deal with potential opportunities for Uni-President Group through merger & acquisition, joint ventures, and other investments. The main responsibilities of the team include industry/company analysis, commercial terms negotiation, valuation, deal structuring, and post-transaction management.

Given our Group's ambition of constructing an Asian distribution platform of life brands, we tap into the widest pool of potential deals and investments, bringing the resources and support to the invested companies under our group umbrella.

Join us and be on the frontline as one of our deal team members! You will have opportunities to get involved in multiple cross-border transactions in Asian regions. Plus, with Uni-President's strong presence in F&B and the retail industry in Asia, you will also be able to participate in business expansion and collaborate with world-class, top tiers commercial partners. In our deal team, you will be honored with the remarkable achievement while witnessing our Group's transformation.
